REF: TENDER NO. PC/001/2020-2021

23/07/2020

ADDENDUM TO THE TENDER FOR TENDER FOR PROPOSED PARTITIONING OF OFFICE SPACE FOR THE PRIVATIZATION COMMISSION AT 10TH FLOOR, NSSF ANNEX BUILDING (PARKING SILO) COMMUNITY, NAIROBI.

CLARIFICATIONS TO QUERIES RECEIVED:-

Dear Bidder,

The Commission has received some queries from some prospective tenderers on some issues relating to the above captioned tender which we wish to clarify as follows:-

Query 1: Your main advertisement document indicates that the site visit shall be mandatory. However, the tender document on page 7 clause 1.11 indicates otherwise.

Response: Yes the mandatory requirement as had been indicated in the tender advertisement was waived to help curb the spread of Covid 19. The cover page of the tender document has captured that position and thus, there shall be no site visit.

Query 2: The replacement of 3.14 of the tender document on page 17 is unclear on whether all the individual volumes should be submitted in "original" and "copy" individually or as one document.

Response: The replacement applies to all volumes.

Query 3: Section V on page 47 of the tender document indicates that the work consist of “ALL THE DRAWINGS AND BILLS OF QUANTITIES”. However, there are no drawings in the tender document.

Response: The drawings will be issued on site during implementation, however any tenderer who wants to view the drawings can visit ROOM 811, Works building during working hours 8.00a.m. to 5.00p.m.
